This NEW seminar provides attendees with essential knowledge to properly install radiant floor heating (RFH) systems using the right system components.

COURSE FEATURES:

- This course is for Heating contractors/installers who are new to hydronic radiant heating.
- Hands on training from Rehau trainer, Mike Norris
- Technical information on core products such as RAUPEX[®] pipes, EVERLOC⁺™ fittings and PRO-BALANCE[®] manifolds
- Advanced radiant installation techniques for wet and dry applications, including the innovative RAUPANEL[™], RAUBOARD[™] and RAUPLATE[™] heating systems
