

CSIpgh Presents:

# MODULATING OUTDOOR SALES & SERVICE TRAINING

This will take a deep dive into the American Standard Variable Speed Outdoor products. The discussion is applicable to both technicians and sales personnel! We will discuss the benefits of variable speed outdoor units as well as other important service requirements.

In this course you will:

- VSPD Overview
- Operational differences between modulating outdoor units vs. single and two-stage units
- Review installation and safety requirements
- Be able to service and troubleshoot modulating outdoor units
